Membership Table Charlie

Non-members can fill out a form and join free for one year.

Earl suggested having membership forms go directly to the Area Reps or Block Captains rather than the membership secretary, enabling us to contact non-members and people who have not updated their forms more quickly. The suggestion was unanimously approved.

Someone is needed to take over the membership database & update the directory. Traci volunteered. Steve Allison, current membership secretary no longer wishes to continue in that position.

Food prices will stay the same as last year

We need to push the adult party. So far only one or two have signed up. 20 are needed for the group rate. Deadline is April 16.

Neighborhood clean up is April 17. Charlie will be at Falk School parking lot at 9 AM. People can get bags from him or use your own. Clean up parks, yards, etc.

Garage Sales - May 14 - 15. There will be no common donation point this year. Individual families or groups of families are encouraged to hold their own garage sales that weekend. Let Denise know if you plan to have a Garage Sale. Maps will be printed up and handed out so people can find all the sales.

Denise showed the final design for the neighborhood sign at the entrance to the Greentree Park at Struck St & Schroeder Rd. The committee is waiting for input from the sign builder as to just what material will be used. It may be made out of PVC. We need something that is durable and will withstand vandalism. We are hoping to have the sign installed by summer.

Denise presented the Garden Club plan for landscaping around the sign on Piping Rock Rd.

Deadline for the next Stump is May 7. The Stump will come out June 1 and will be the annual free issue sent to everyone in the neighborhood. Next meeting, Monday, May 3, 7:00 PM at the Fire Station. By Barb Chase
