An update was given on the bowling party. 39 people bowled and everyone had a good time. The cost to GTNA was \$53.75. A suggestion was made to meet in the bar either before or after bowling next time. April seems like a good time to have an adult party. We probably will try bowling again next year.

Garage Sale

Weekend of April 14 & 15

17 houses have signed up to participate

Denise will make up a map and have approximately 200 copies made to give out at each site. She will get a garage sale kit from Madison Newspapers and have an ad in the papers Thurs, Fri & Sat. There also will be signs on major streets.

New Neighbor Packets

We would like to be able to get plastic bags from a local business such as the radio station going in on Ray O Vac Drive.

Membership

It was decided to offer a free one-year membership to people new to the neighborhood since last fall. Current residents who did not join last year will be offered a one-year membership for \$7.50, half the regular membership of two years for \$15.00. Denise will get a list from Steve Allison as to those who have paid.

Linda Bellman spoke of current city council activities. There has been much discussion regarding the use of a city park for the ESPN games. There also is discussion on allowing residents to keep chickens & or other fowl within the city limits. Linda and her husband have purchased a condo out of the District and she will be resigning her council seat probably in July. She has specifically requested that the appointment be open to anyone who applies and decided on the basis of who will best represent the district. She is not endorsing Richard Brown to assume that responsibility and request that anyone with any interest let Linda know so that we can submit their name at the appropriate time.

Next meeting, June 7. This will be the last meeting until fall. Submitted by Barb Chase.
