Treasurer's Report

Charlie is working on a budget and on finding a treasurer.

Vacant Positions:

- President Charlie's term is up after the 4th of July. We need someone to take over for the next two years
- Vice President As of now, there is no one. The term would be two years with the expectation that that person would become president in two years.
- Treasurer We have not had a treasurer for almost 2 years and really need one. Charlie is doing double duty, which is not good
- Area Representatives: Area 3, Area 4, Area 8
