

SPRING PLANTING COMES EARLY TO TOKI

Don't let those winter blues get you down...plan your garden early. Toki PTO is sponsoring its third annual Plant Sale starting March 26th. Choose from a variety of bedding flowers, foliage plants or hanging baskets. Our beautiful and healthy plants come directly from Irish Lane Greenhouse. You won't be disappointed, and it's easy. Fill out the attached order form and return it with your check, cash or money order by **Monday, April 7th, 2008**. Make checks out to Toki PTO and attach to your order.

Choose from a variety of plants in several different colors and sizes, or choose a gift certificate to Irish Lane instead. You can buy the plants as full or half flats. We also have hanging baskets and 4.5-inch pots that include ferns, ivy, spikes and vines.

Our school benefits from every plant and gift certificate we sell, so please help us raise funds for PTO. Your plants will be delivered on **Thursday, May 8th, 2008** for pick up at Toki from 2:30-6:30. We'll send reminders as we get closer to the date.

**Your plants will arrive the week before Mother's Day—
how convenient!**
